

Fill in the gaps

If I had eyes in the back of my head	We were victims together but lonely
I would (1) told you that	You got hungry (6) that just can't (7)
You looked good	forward
As I walked away	Can't give them enough but we just can't start over
And if you could've tried to trust the hand that fed	Building with (8) nails we're
You would've never been hungry	falling but holding, I don't wanna (9) up anymore of
But you never really be	your time
The more of (2) or less of this or is there any	Time time time
difference	Sometimes time doesn't heal
or are we just holding onto the things we don't (3)	No not all
anymore	Just stand still
Sometimes time doesn't heal	While we fall
No not at all	In or out of love (10) I doubt I'm gonna win you
Just stand still	back
While we fall	When you got eyes like that
In or out of love again I (4) I'm gonna win you	It won't let me in
back	Always looking out
When you got eyes like that	Always lookin'
It won't let me in	
Always looking out	
Lot of people spend their (5) just floating
