

Fill in the gaps

If I had eyes in the (1) of my head	We were victims together but lonely
I would (2) told you that	You got hungry eyes that just can't look forward
You looked good	Can't give them (9) but we just can't start over
As I (3) away	Building with bent nails we're
And if you could've tried to trust the hand that fed	falling but holding, I don't wanna take up anymore of your time
You would've never been hungry	Time time time
But you never really be	Sometimes time doesn't heal
The more of this or less of this or is there any difference	No not all
or are we just holding onto the things we don't (4)	Just stand still
anymore	While we fall
Sometimes (5) doesn't heal	In or out of love again I doubt I'm gonna win you back
No not at all	When you got eyes like that
Just stand still	It won't let me in
While we fall	Always looking out
In or out of (6) again I doubt I'm gonna win you	Always lookin'
back	
When you got eyes (7) that	
It won't let me in	
Always looking out	
Lot of (8) spend their time just floating	

- 1. back
- 2. have
- 3. walked
- 4. have
- 5. time
- 6. love
- 7. like
- 8. people
- 9. enough
