When The Sun Goes Down by Arctic Monkeys

Who's that girl there?	I start to wonder what his story might be, what his story might
I wonder what went wrong	be
So (1) she had to (2) the streets	They said it (15) when the sun goes down
She don't do major credit cards	Around here
I doubt she does receipts	Look here comes a (16) Mondeo
It's all not quite legitimate	Isn't he Mister Inconspicuous?
And what a scummy man	And he don't have to say 'owt
Just give him half a chance	She's in the stance ready to get picked up
I bet he'll rob you if he can	Bet she's delighted (17) she sees him
Can see it in his eyes,	Pulling in and giving her the eye
That he's got a driving ban	Because she must be fucking freezing
Amongst some (3) offences	Scantily (18) (19) the clear night
And I've (4) him with girls of the night	sky
And he told (5) to put on her red light	It don't stop in the winter, no
They're all infected but he'll be alright	They said it changes (20) the sun goes down
Cause he's a scumbag, don't you know	Around here
I said he's a scumbag, don't you know!	They said it changes when the sun goes down
Although you're (6) not to listen	Over the river going out of town
Avert (7) (8) and staring at the ground	They said it changes when the sun goes down
She (9) a subtle proposition	Around here
"I'm sorry love I'll (10) to (11) you down"	What a (21) man
He must be up to summat	Just (22) him half a chance
What are the (12) (13)	I bet he'll rob you if he can
(14) more than likely	Can see it in his (23) (24) he's got a
I've got a feeling in my stomach	(25) plan
	I (26) you're not involved at all
