When The Sun Goes Down by Arctic Monkeys

Who's that girl there?	I start to wonder what his story might be, what his story
I wonder what went wrong	(6) be
So that she had to roam the streets	They said it changes when the sun goes down
She don't do major credit cards	Around here
I doubt she does receipts	Look (7) comes a Ford Mondeo
It's all not (1) legitimate	Isn't he Mister Inconspicuous?
And what a scummy man	And he don't have to say 'owt
Just give him half a chance	She's in the stance ready to get picked up
I bet he'll rob you if he can	Bet she's delighted when she sees him
Can see it in his eyes,	Pulling in and giving her the eye
That he's got a driving ban	Because she must be fucking freezing
Amongst some (2) offences	Scantily clad beneath the clear night sky
And I've seen him with girls of the night	It don't stop in the winter, no
And he told Roxanne to put on her red light	They said it changes when the sun goes down
They're all infected but he'll be alright	Around here
Cause he's a scumbag, don't you know	They said it changes when the sun goes down
I said he's a scumbag, don't you know!	Over the river going out of town
Although you're trying not to listen	They (8) it (9) when the sun
Avert your (3) and staring at the ground	goes down
She makes a subtle proposition	Around here
"I'm sorry love I'll (4) to turn you down"	What a scummy man
He must be up to summat	Just give him half a chance
What are the chances sure it's (5) than likely	I bet he'll rob you if he can
I've got a feeling in my stomach	Can see it in his eyes that he's got a nasty plan
	I hope you're not involved at all
