## Wild Frontier by Gary Moore

## Fill in the gaps

I remember the old country
They call the emerald land
And I remember my hometown
Before the war (1)
Now we're riding on a sea of rage
The victims you have seen
You'll never hear them sing (2)
The Forty Shades Of Green
We're goin' back to the wild frontier
Back to the (3) frontier, it's calling
Back to the wild frontier
We're goin' (4)
Back to the wild (5)
I remember my (6) streets
Before the (7) came
Before the (7) came  Now armoured cars and barricades
Now armoured cars and barricades
Now armoured cars and barricades  Remind us of our shame
Now armoured cars and barricades  Remind us of our shame  We are drowning in a sea of blood
Now armoured cars and barricades  Remind us of our shame  We are drowning in a sea of blood  The victims you have seen
Now armoured cars and barricades  Remind us of our shame  We are drowning in a sea of blood  The victims you have seen  Never more to sing again
Now armoured cars and barricades  Remind us of our shame  We are drowning in a sea of blood  The victims you have seen  Never more to sing again  The (8) Shades Of Green
