Fill in the gaps

You (1) (2) mind	You, you don't really wanna stay, no
Like a girl changes clothes	You, but you don't (14) wanna go, oh
Yeah, you PMS like a bitch	You're hot then you're cold
I (3) know	You're yes then you're no
And you always think	You're in and you're out
Always speak cryptically	You're up and you're down
I (4) know	Someone call the doctor
That you're no good for me	Got a (15) of a love bipolar
'Cause you're hot (5) you're cold	Stuck on a rollercoaster
You're yes then you're no	Can't get off (16) ride
You're in and you're out	You change your mind
You're up and you're down	Like a girl changes clothes
You're wrong when it's right	'Cause you're hot (17) you're cold
It's black and it's white	You're yes then you're no
We fight, we break up	You're in and you're out
We kiss, we make up	You're up and you're down
