

Sounds come crashing,

## Fill in the gaps

| In the flinty light, it's midnight,         | And I hear laughing,                    |
|---|---|
| And stars collide.                          | All (15) lights (16) blaze away.        |
| Shadows run, in (1) flight,                 | I (17) a (18) (19)                      |
| To run, (2) and hide.                       | inside,                                 |
| I'm still not sure what part I play,        | A little Dr. Jekyll, a little Mr. Hyde. |
| In (3) shadow play, (4)                     | Yeah                                    |
| (5) play.                                   | Thoughts run wild, free as a child,     |
| Well, In the half-light, on this mad night, | Into the night.                         |
| I hear a voice in time.                     | Across the screen a thin beam,          |
| Well, I look back, see a half-smile,        | Of (20) light.                          |
| Then it's gone from sight.                  | Tell me why things don't look the same, |
| Tell me, why (6) have changed,              | In (21) shadow play, this (22) play,    |
| In this (7) play, this (8) play,            | I have to find my way,                  |
| I have to find my way,                      | In this shadow play.                    |
| In this (9) play.                           | I have to get away,                     |
| Sounds (10) crashing,                       | In this shadow play,                    |
| And I (11) laughing,                        | Well (23) me find my way,               |
| All (12) (13) just                          | In (24) (25) play,                      |
| (14) away.                                  | Yeah                                    |
| I feel a little strange inside,             |   |
| A little bit of Jekyll, a little Mr. Hyde.  |   |
