

Fill in the gaps

Step one you say we (1) to talk	Where did I go wrong, I (13) a friend
He walks you say sit down it's just a talk	Somewhere along in the bitterness
He smiles politely back at you	And I would have (14) up (15) yo
You stare politely right on through	all night
Some sort of window to your right	Had I (16) how to (17) a life
As he goes (2) and you stay right	As he begins to raise his voice
Between the (3) of fear and blame	You lower yours and grant him one (18) choice
And you begin to (4) why you came	Drive until you lose the road
Where did I go wrong, I lost a friend	Or break (19) the ones you've followed
Somewhere (5) in the bitterness	He will do one of two things
And I (6) (7) stayed up with you all	He will admit to everything
night	Or he'll say he's (20) not the same
Had I known how to save a life	And you'll begin to wonder why you came
Let him know (8) you know best	Where did I go wrong, I (21) a friend
Cause after all you do know best	Somewhere (22) in the bitterness
Try to slip past his defense	And I would have stayed up (23) you all night
Without (9) innocence	Had I (24) how to save a life
Lay (10) a list of what is wrong	How to save a life
The things you've (11) him all along	How to save a life
And pray to God he (12) you	
And pray to God he hears you
