

## Fill in the gaps

| When I was younger                |                     |               |
|-----------------------------------|---------------------|---------------|
| Living confusion and deep dispa   | air                 |               |
| When I was younger ah hah         |                     |               |
| Living illusion of (1)            | and power           |               |
| When I was younger                |                     |               |
| Full of ideas and broken (2)      | (my friend)         |               |
| When I was (3)                    | _ ah hah            |               |
| Everything simple but not so cle  | ar                  |               |
| Living on borrowed time           |                     |               |
| Without a (4)                     | for tomorrow        |               |
| Living on borrowed time           |                     |               |
| Without a thought for tomorrow    |                     |               |
| Now I am older                    |                     |               |
| The more that I see the (5)       | that I know for sui | re            |
| Now I am older ah hah             |                     |               |
| The future is brighter and now is | s the hour          |               |
| Living on borrowed time           |                     |               |
| Without a thought for tomorrow    |                     |               |
| Living on borrowed time           |                     |               |
| Without a (6)                     | for tomorrow        |               |
| Good to be older                  |                     |               |
| Would not (7)                     | a (8)               | day or a year |
| Good to be older ah hah           |                     |               |
| Less complications everything of  | elear               |               |
| Living on borrowed time           |                     |               |
| Without a (9)                     | for tomorrow        |               |
| Living on borrowed time           |                     |               |
|                                   |                     |               |

Without a thought for tomorrow

- 1. freedom
- 2. dreams
- 3. younger
- 4. thought
- 5. less
- 6. thought
- 7. exchange
- 8. single
- 9. thought
