

## Fill in the gaps

If you've got love in your sights	I don't wanna touch you too much baby
Watch out, love bites	'Cos making love to you might drive me crazy
When you (1) love, do you look in the mirror?	Love bites, love bleeds
Who do you think of, (2) he look like me?	It's bringin' me to my knees
Do you tell lies and say that it's forever?	Love lives, love dies
Do you think twice, or (3) touch 'n' see?	It's no surprise
Ooh babe ooh yeah	Love begs, love pleads
When you're alone, do you let go?	It's (7) I need
Are you wild 'n' willin' or is it (4) for show?	Ooh yeah
Ooh c'mon	I don't wanna touch you too much baby
I don't wanna touch you too much baby	'Cos (8) (9) to you might drive me
'Cos making love to you might drive me crazy	crazy
I (5) you (6) that love is the way you	Love bites, (10) bleeds
make it	It's bringin' me to my knees
So I don't wanna be there when you decide to break it	Love lives, love dies
No!	Love bites, love bleeds
Love bites, love bleeds	It's bringin' me to my knees
It's bringin' me to my knees	Love lives, love dies
Love lives, love dies	It's no surprise
It's no surprise	Love begs, love pleads
Love begs, love pleads	It's what I need
It's what I need	If you've got love in your sights
When I'm with you are you somewhere else?	Watch out, love bites
Am I gettin' thru or do you please yourself?	Yes it does
When you wake up will you walk out?	It will be hell
It can't be love if you throw it about	
Ooh babe
