

Like we used to in the early days,

Fill in the gaps

Our (1) together is so precious together,	Well, well, (4) darling,
We have grown - we have grown,	It's been so long since we took the time,
Although our love is still special,	No-one's to blame,
Let's take our (2) and fly away somewhere	I know time flies so quikly,
alone,	But when I see you darling,
It's been so long since we took the time,	It's like we both are falling in love again,
No-one's to blame,	It'll be just like starting over - starting over,
I know (3) flies so quikly,	Everyday we used to make it love,
But when I see you darling,	Why can't we be making love (5) and easy,
It's like we both are falling in love again,	It's time to spread our wings and fly,
It'll be just like starting over - starting over,	Don't let another day go by my love,
Everyday we used to make it love,	It'll be just like starting (6) starting over,
Why can't we be making love nice and easy,	Our life together is so precious together,
It's time to spread our wing's and fly,	We (7) grown - we have grown,
Don't let another day go by my love,	Although our love is still special,
It'll be just like starting over - starting over,	Let's take our (8) and fly away
Why don't we take off alone,	(9) alone.
Take a trip far, far away,	
We'll be together on our own again,
