Forgive Me by Evanescence

Fill in the gaps

Can you forgive me again
I don't know what I said
But I didn't mean to hurt you
I heard the words come out
I felt (1) I would die
It hurt so much to hurt you
Then you (2) at me
You're not shouting anymore
You're silently broken
I'd give (3) now
To hear those words from you
Each (4) I say something I regret
I cry, I don't want to (5) you
I cry, I don't want to (5) you But (6) I know that you will never (7) me
But (6) I know that you will never (7) me
But (6) I know that you will never (7) me Cause you (8) made for me
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see How happy you make me
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see How happy you make me I can't live this life
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side I need you to survive
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side I need you to survive So stay with me
But (6) I know that you will never (7) me Cause you (8) made for me Somehow I'll make you see How happy you make me I can't live this life Without you by my side I need you to survive So stay with me You look in my (9) and I'm screaming inside

And I never meant to hurt you
