Just A Kiss by Lady Antebellum

Fill in the gaps

Lying here with you so close to me
It's hard to fight these feelings
when it feels so hard to breathe
Caught up in this moment
Caught up in your smile
I never open up to anyone
So hard to hold back
when I'm holding you in my arms
We don't need to rush this
Let's just take it slow
Just a kiss on your lips in the moonlight
Just a touch of the fire burning so bright
I don't want to mess this thing up
I don't want to push too far
Just a shot in the dark that you just might
be the one I've been waiting for my whole life
So baby I'm alright with just a kiss goodnight
I know that if we give this a little time
it'll only bring us closer to the love we wanna find
It's never felt so real
No (1) (2) felt so right
Just a kiss on your lips in the moonlight

Just a touch of the fire burning so bright
I don't want to mess this thing up
I don't want to push too far
Just a (3) in the dark that you just might
be the one I've (4) waiting for my whole life
So baby I'm (5) with just a kiss goodnight
No I don't (6) say goodnight
I know it's (7) leave but you'll be in my dreams
Tonight
Tonight
Tonight
Just a kiss on your lips in the moonlight
Just a touch of the fire burning so bright
I don't want to mess this thing up
I don't want to push too far
Just a shot in the dark that you (8) might
be the one I've been waiting for my whole life
So baby (9) alright with (10) a kiss
goodnight
Let's do this right with just a kiss goodnight
With a kiss goodnight
