

Fill in the gaps

It's The Only One You've Got by Three Doors Down

how do you know where you're going	You hide (17) (18) walls
when you don't (1) where you've been	cause maybe he never hurts
You hide the shame (2) you're not showing	Forgetting that there's something more
and you won't let (3) in	than (19) (20) better
A crowded (4) can be a quiet place	Your mistakes do not define you now
when you're walking alone	They tell you who you're not
So now you think that you're the (5) one	You've got to live this (21) you're given
who doesn't have to try	like it's the only one you've got
and you won't have to fail	What would it take
You're so afraid to fly	to get you to say that I'll try
then I (6) you never will	And what would you say if this
You hide (7) your walls	was the last day of your life
cause maybe he never hurts	You hide behind your walls
Forgetting that there's (8) more	cause (22) he never hurts
than just knowing better	Forgetting that there's something more
Your (9) do not define you now	than just knowing better
They tell you who you're not	Your mistakes do not define you now
You've got to live this life you're given	They tell you who you're not
like it's the only one you've got	You've got to live this life you're given
The memories have (10) you broken	like it's the (23) one you've got
and the scars (11) never healed	You hide behind your walls
The emptiness in you is growing	cause maybe he never hurts
with so little left to feel	Forgetting that there's so much more
You're scared to look back on the (12) before	than (24) knowing better
You're too (13) to move on	Your mistakes do not (25) you now
And now you (14) that you're the only one	They tell you who you're not
who doesn't have to try	You've got to live this life you're given
and you won't (15) to fail	like it's the only one you've got
You're so afraid to fly	
and I guess you (16) will
