It's The Only One You've Got by Three Doors Down

how do you know where you're going	You hide (11) your walls
when you don't know where you've been	cause maybe he never hurts
You hide the shame that you're not showing	Forgetting that there's (12) more
and you won't let anyone in	than just (13) better
A (1) street can be a quiet place	Your mistakes do not define you now
when you're (2) alone	They (14) you who you're not
So now you think that you're the only one	You've got to live this life you're given
who doesn't have to try	like it's the only one you've got
and you won't have to fail	What (15) it take
You're so afraid to fly	to get you to say (16) I'll try
then I guess you never will	And what (17) you say if this
You hide behind (3) walls	was the (18) day of your life
cause (4) he (5) hurts	You hide behind your walls
Forgetting (6) there's something more	cause (19) he never hurts
than just knowing better	Forgetting (20) there's something more
Your mistakes do not define you now	than just knowing better
They tell you who you're not	Your mistakes do not define you now
You've got to live this life you're given	They tell you who you're not
like it's the (7) one you've got	You've got to (21) this (22) you're given
The memories have left you broken	like it's the only one you've got
and the scars have never healed	You (23) (24) your walls
The emptiness in you is growing	cause maybe he never hurts
with so little (8) to feel	Forgetting that there's so much more
You're (9) to look back on the days before	than just knowing better
You're too tired to move on	Your mistakes do not (25) you now
And now you think (10) you're the only one	They tell you who you're not
who doesn't have to try	You've got to (26) this life you're given
and you won't have to fail	like it's the only one you've got
You're so afraid to fly	
and I guess you never will
