SUB inglés

Fill in the gaps

It's The Only One You've Got by Three Doors Down

now do you know where you're going	You hide behind your walls
when you don't know where you've been	cause maybe he never hurts
You hide the shame that you're not showing	Forgetting (7) there's something more
and you won't let (1) in	than just knowing better
A crowded street can be a quiet place	Your mistakes do not (8) you now
when you're walking alone	They tell you who you're not
So now you think that you're the only one	You've got to live this life you're given
who doesn't have to try	like it's the only one you've got
and you won't have to fail	What would it take
You're so afraid to fly	to get you to say that I'll try
hen I guess you never will	And what would you say if this
You hide behind your walls	was the last day of your life
cause maybe he never hurts	You hide behind your walls
Forgetting that there's something more	cause maybe he never hurts
han just knowing better	Forgetting that there's (9) more
Your mistakes do not define you now	than just knowing better
They tell you who you're not	Your mistakes do not define you now
You've got to live this life you're given	They tell you who you're not
ike it's the only one you've got	You've got to live this life you're given
The memories have left you broken	like it's the only one you've got
and the (2) have never healed	You hide behind your walls
The emptiness in you is growing	cause maybe he never hurts
with so little (3) to feel	Forgetting that there's so much more
You're scared to look back on the days before	than just knowing better
You're too tired to (4) on	Your mistakes do not define you now
And now you think that you're the (5) one	They tell you who you're not
who doesn't have to try	You've got to live this life you're given
and you won't (6) to fail	like it's the only one you've got
You're so afraid to fly	
and I guess you never will
