#### Away From The Sun by Three Doors Down

It's (1) to this
I've got to make this (2) make sense
Can anyone tell what I've done
I (3) a life
I missed the colors of the world
Can anyone tell where I am
'Cause now again I found myself so far down
Away (4) the sun that shines onto the darkest place
I'm so far down away from the sun again
Away (5) the sun again
I'm over there
I'm tired of living in the dark
Can anyone see me down here
The feeling's gone
There's nothing left to lift me up
Back into the world I know
'Cause now again I (6) myself so far down
Away from the sun that shines onto the (7) place
I'm so far down away from the sun
That (8) to light the way for me
To find my way back into the arms
And tell about the ones like me
I'm so far down away from the sun (9)
It's down in (10)
I've got to make this life make sense
Now I can't tell what I'm doing
Now again I found myself away from the sun

That shines to light the way for me
