SUB inglés

I took advantage of a golden opportunity

Fill in the gaps

You Don't Say Us Anymore by Robin Gibb

Giving you an ultimatum	But you don't see me anymore (no you don't)
Try to figure out why you	I stand alone (no you don't)
Act the way you do ,avoiding me	Your head is (14) of illusions
And trying to keep (1) distance	Your (15) is stone
Saw your (2) in a photograph	(You don't say us , you don't say us)
Couldn't cry so I had to laugh	Soon, (16) the night is young
And the jealousy that I (3) inside	I'll be old and gone
Gave way to (4) frustration	All because I'm down
And you don't fool me with your sexy innuendos	(You don't say us , you don't say us)
And all the secrets you hide	(break)
You find adventure when your sleeping	And you don't fool me with your sexy innuendos
in a brave new world	And all the (17) you hide
But you don't see me anymore (no you don't)	You find adventure when your
I stand (5) (no you don't)	sleeping in a brave new world
Your head is (6) of illusions	But you don't see me (18) (no you don't)
Your (7) is stone	I stand alone (no you don't)
But you don't say us anymore (no you don't)	Your head is (19) of illusions
And the light is gone (no you don't)	Your (20) is stone
No you don't say us anymore , anymore	(You don't say us , you don't say us)
(You don't say us , you don't say us)	Come , hold me like before
Like the (8) in the (9) blue sea	Do the things you (21) to do
Gotta have you and must be free	What I asked before
And all you do is (10) me	(You don't say us , you don't say us)
and question what I stand for	But you don't see me anymore (no you don't)
I'm a (11) of circumstance	I stand alone (no you don't)
Just like in (12) romance	Your head is full of illusions
And in my (13) we go	Your heart is stone
straight to a hotel room	(You don't say us , you don't say us)
And we take our chances	Come , hold me like before
And when I met you ,	Do the things you used to do
you were standin' in the moonlight	What I asked before
And your defences were down	

1. your
