

## Fill in the gaps

She lived like she knew nothing lasts	Be like you
Didn't care to look (1) anyone else	Just like you
And she was beautiful, so beautiful	And when I go to sleep at night
I still hear her (2) like she's here	I'll thank you for each blessed (7) surrounding
Shower it down on all the young	me
It isn't so wrong to have (3) fun	For every fall I'll ever break
Forever angel	Each moment's breath I wanna taste
I hope they love you like we do	Confidence and conscience
Forever angel	Decadent extravagance
I'll be proud to be like you	Never (8) providence
Be (4) you	For loving when I had the chance
(I'll be proud to be like you)	Angel
Does the sun shine up at you when you're looking down	I hope they love you like we do
Do you get along with the (5) around	Forever angel
It's got to be (6) than before	I'll be proud to be like you
You don't need to worry now you're gone	Forever angel
Forever angel	I'll be (9) to be (10) you
I hope they love you like we do	Be like you
Forever angel	I'll be proud to be like you
I'll be proud to be like you
