Fill in the gaps

All The Rest Of My Life by Axel Rudi Pell

in the (1) from far away	i want you,
I can hear (2) voice, the words that you say	All the rest of my life
You left forever, your love has (3) gone	I (6) you,
But I still feel so strong for you	All the rest of my life
You left me crying, you're leaving me alone	(The) rest of my life
You and I together, once it was so strong	I want you,
The shield of love has broken, you're fire has been gone	All the rest of my life
Now I'm back on my own	I want you,
Come back and stay	'Cause I (7) you
Don't leave me all alone	All the rest of my life
Can you hear me pray	I want you,
Forever	And I (8) you
Forever	All the rest of my life
I (4) you,	I want you,
All the rest of my life	(You'll always be the one)
I want you,	All the rest of my life
All the rest of my life	(The (9) of my life)
(The) rest of my life	I want you,
Every moment (still) I'm thinking of you	(I need you close to me)
But it seems that there's nothing, nothing I can do	All the (10) of my life
If there's something, something I could say	I want you,
To bring you back some day	('Cause I need you)
Come (5) and stay	All the rest of my life
Don't leave me all alone	(All the rest of my life)
Can you hear me pray	Yeah
