| Close your eyes so you don't feel them |
|--|
| They don't (1) to see you cry          |
| I can't promise I will heal you        |
| But if you want to I will try          |
| To sing this summer serenade           |
| The past is done we've been betrayed   |
| It's true                              |
| Someone said the truth will out        |
| I believe without a doubt              |
| in you                                 |
| (chorus)                               |
| You were there for summer dreaming     |
| and you (2) me what I need             |
| and I hope you'll find your freedom    |
| for eternity, for eternity             |
| Yesterday when we were walking         |
| You talked (3) your ma and dad,        |
| What they did that (4) you happy,      |
| What they did that made you sad.       |
| We sat and (5) the sun go down         |
| Then picked a star before we loot      |
| Then picked a star before we lost      |
