Fill in the gaps

Serenade From The Stars by Steve Miller Band

Did you see the lights
as (1) fell all around you
did you hear the music
serenade from the stars
Wake up, (2) up
wake up and look around you
we're (3) in space
and the time is our own
Did you (4) the wind
as it (5) all around you
did you feel the love
that was in the air
Wake up, (6) up
wake up and look around you
we're lost in space
and the time is our own
The sun (7) up
and it shines all around you
you're lost in space
and the earth is your own
