

## Fill in the gaps

\_ an answer

He's got (1)	black lungs	Cause I'll never
Made of clove splintered shardes		Never sleep alone
They're the kind that will talk		Oh lord
Through a wheezing of coughs		Said I'm bloodshot for sure
And I hear him every n	Pale runs the ghost	
In every pore		Swollen on the shore
And every time he just (2) me warm		Every night
Freeze without an answer		in every pore
Free from all the shame		The scales that do slither
Must I hide?		Deliver me from
Cause I'll never		Freeze (8)
Never sleep alone		Free from all the shame
Look at how they (3) to him		Then I'll hide
From an isle of open sores		Cause I'll never
He (4) that the (5) is such		Never sleep alone
Such to die for		Freeze without an answer
And I hear him (6) night		Free from all the shame
On every street		Let me die
The (7) that do slither		Cause I'll never
Deliver me from		Never sleep alone
Freeze without an ans	wer	
Free from all the sham		
Then I'll hide		

## 1. fasting

- 2. makes
