An old man (1) ninety-eight	Well life has a funny way of sneaking up on you
He won the lottery and died the next day	When you think everything's okay and everything's going right
t's a (2) fly in your Chardonnay	And life has a funny way of helping you out when
t's a death row pardon two (3) too late	You think everything's (8) wrong and everything
sn't it ironicdon't you think	blows up in your face
t's like rain on your wedding day	A traffic jam when you're already late
t's a free (4) when you've already paid	A 'No Smoking' sign on your cigarette break
t's the good advice that you just didn't take	It's like ten thousand spoons when all you need is a knife
Who would've thought it figures	It's meeting the man of my dreams
Mr. Play-It-Safe was afraid to fly	And then meeting his beautiful wife
He (5) his suitcase and kissed his kids	And isn't it ironicdon't you think
good-bye	A little too ironicand yeah I really do think
He waited his whole (6) life to take that flight	It's like rain on your wedding day
And as the (7) crashed down he thought	It's a free ride when you've already paid
Well isn't this nice'	It's the good advice that you just didn't take
And isn't it ironicdon't you think	Who would've thought it figures
t's like rain on your wedding day	Life has a funny way of sneaking up on you
t's a free ride when you've already paid	Life has a funny, funny way of helping you out
t's the good advice that you just didn't take	Helping you out
Who would've thought it figures
