I swapped my innocence for pride	Mascara bleeds into my eye
Crushed the end within my stride	I'm not cold
Said I'm strong now I know that I'm a leaver	I am old
l love the (1) of you walking away	At least
Mascara bleeds a blackened tear	As old as you are
And I am cold	As you walk away?
Yes, I'm cold	As you (6) away
But not as cold as you are	My (7) crumbles down
l love the (2) of you walking away	As you walk away
Why don't you walk away?	The Hollywood (8) a-howl
Why don't you walk away?	As you walk away
No buildings will fall down	The Kremlin's falling
Why don't you (3) away?	As you (9) away
No quake will (4) the ground	Radio Four is STATIC
Why don't you walk away?	As you walk away
The sun won't swallow the sky	The stab of stiletto
Why don't you walk away?	On a silent night
Statues will not cry	Stalin Smiles
Why don't you walk away?	Hitler laughs
I (5) turn to see those eyes	Churchill claps
As apologies may rise	Mao Tse Tung
I must be strong and stay an unbeliever	on the back
And love the sound of you walking away
