For The Girl by The Fratellis

I was into her best friend

Fill in the gaps

La la la la la	She was chasing the thrills
Well she (1) I know but I just can't tell	And living down at the West End
Everything that you've just been saying	She was pretty in braces
Lucy was there as well in the dark	I lived out of her window
When the kids in the band were playing	She said 'take me to London'
No-one can hear a word or tell	Tell me something I don't know
What the girl was singing	And all the while the girls sang
See she must've been 16 or 18	La la la she sang
I'd just past caring	Kickings for my sweetheart
She was (2) the (3) when	Bruises that I just don't miss
I was (4) the Roses	And she said 'I can't love you any more than this!'
She was breaking my bones when	La la la la la
I was busting (5) noses	La la la la la
She would tell me a secret	La la la la la
I (6) lose it the next day	La la la la la
You're not pleased that you're easy	She was into the Stones when
Makes you sick in a bad way	I was into the Roses
And all the while the girls sang	She was breaking my bones when
La la la la and she sang	I was busting their noses
Kickings for my sweetheart	She would tell me a secret
Bruises that I just don't miss	I would lose it the (8) day
And she said 'I can't love you any more than this!'	You're not pleased that you're easy
La la la la la la	Makes you (9) in a bad way
La la la la la la	And all the while the girls sang
Aww she said she said oh no no no no	La la la she sang
Then I get a yes why don't you kill me	Kickings for my sweetheart
I said when I'm (7) up like this	Bruises that I (10) don't miss
Sweetheart you know that don't thrill me	And she said 'I don't like you
Said I would've been there if only I had been a little bit nicer	You can't stand me
I was dead by Sunday half dead scared just trying to please	I can't love you anymore than this'
her	
She getting me pills when
