Fill in the gaps

This sure is some kind of party
It's so useful
Surround my life with excuses
For what I (1) to lose
And my name
Doesn't look the same to me
No, no not me now
And inside
Don't you know I (2) so bad
When I tried to turn away
To find you again
My emotion cost me pain
Did I (3) the same
When I think about the times
That I laughed away the idea you'd cheat me
But look again
What do you say 'That's my name'
And i (4) that i've (5) you amused
to wipe that (6) right off my boots
And (7) I'm home and (8) in the dark
I (9) that none of (10) has had to go too far
When it gets too late
To see me any other way
And it gets so hard to hold on
To everything that I want so bad
