When you're talkin' to yourself		So what'll happen to us baby	
And nobody's home		Guess we'll have to wait and see	
You can fool yourself		When I (12) out all the reasons	
You came in this (1) alone		Maybe I'll (13) another way	
(Alone)		Find another day	
So nobody ever told you baby		With all the changing seasons of my life	
How it was gonna be		Maybe I'll get it right next time	
So what'll (2) to you baby		An now (14) you've been broken down	
Guess we'll have to wait and see		Got (15) (16)	out of the clouds
One, two		You're back down on the ground	
Old at heart but I'm only 28		And you don't talk so loud	
And I'm much too young		An you don't walk so proud	
To let love break my heart		Any more, and what for	
Young at heart but it's getting much too late		Well I jumped into the river	
To (3) ourselves so far apart		Too (17) times to make it home	
I don't know how you're s'posed		I'm out here on my own, an drifting all alone	
To find me lately		If it doesn't show give it time	
An (4) more could you ask (5) me		To read between the lines	
How could you say that I never needed you		'Cause I see the storm (18)	closer
When you (6) everything		And the waves they get so high	
Said you (7)	(8) from me	Seems everything we've ever know	vn's here
Young at heart and it (9) so hard to wait		Why must it drift away and die	
When no one I know can (10) to help me now		I'II (19) find anyone to replace you	
Old at heart but I mustn't hesitate		Guess I'll have to (20)	it thru, this time- Oh this
If I'm to find my own way out		time	
Still talkin' to myself		Without you	
And nobody's home		I knew the (21) was getting closer	
(Alone)		And all my friends said I was high	
So (11)	ever told us baby	But (22)	we've ever known's here
How it was gonna be		I never wanted it to die
