Living In Another World by Talk Talk

Better parted	I can't help myself
I see people crying	When I see tenderness (9) you left (Forget
Truth (1) harder	That even breaking up was never meant (Forget)
There's no (2) in lying	But only angels look before they tread (Forget)
Help me	(living in another world to you)
Find a way from this maze	(living in another world to you)
I can't help myself	(living in another world to you)
When I see (3) before you	(Instrumental)
(4) (Forget)	Help me
That even breaking up was never meant (Forget)	Find a way from this maze
But only angels (5) before they tread (Forget)	I'm living in another world to you
(living in another world to you)	and I can't help myself
(living in another (6) to you)	Did I see tenderness where you saw hell? (Forget)
(living in another world to you)	Did I see angels in the hand I held? (Forget)
Better parted	God only knows what kind of tale you'd tell (Forget)
I see (7) hiding	(living in another world to you)
Speech gets harder	(living in another world to you)
There's no sense in writing	(living in another world to you)
