

Fill in the gaps

Hey you,	Would you help me to (12) the stone?
Out (1) in the cold,	Open (13) heart, I'm (14) home.
Getting lonely, getting old,	But it was only fantasy.
Can you (2) me?	The (15) was too high, as you can see.
Hey you,	No (16) how he tried he (17) no
Standing in the aisle,	break free.
With (3) (4) and fading smile,	And the worms ate into his brain.
Can you feel me?	Hey you,
Hey you,	Out there on the road,
Don't (5) to (7) the light.	Always doing (18) you're told,
Don't (8) in (9) a fight.	Can you help me?
Hey you,	Hey you,
Out (10) on your own,	Out there (19) the wall,
Sitting (11) by the phone,	Breaking bottles in the hall,
Would you touch me?	Can you help me?
Hey you,	Hey you,
With your ear against the wall,	Don't tell me there's no (20) at all.
Waiting for someone to call out,	Together we stand, (21) we fall.
Would you touch me?	
Hey you,
