I'll be damned, here comes your (1) again	then give me another word for it
but that's not unusual	you were so good (7) words
it's just that the moon is full	and at keeping things vague
and you decided to call	Cause I need some of that vagueness now
And here I sit, hand on the telephone	it's all come back too clearly, yes, I love you dearly
hearing the voice I'd known	and if you're (8) me diamonds and rust,
a couple of light years ago	I've already paid
headed straight for a fall	But we both know what memories can bring
But we both know what (2) can bring	they bring diamonds and rust
they bring diamonds and rust	yes we both know what memories can bring
yes we both know what memories can bring	they bring diamonds and rust
they (3) diamonds and rust	Diamonds, diamonds and rust
Now I see you standing with brown leaves all around and	diamonds, diamonds and rust
snow in your hair	diamonds, diamonds and rust
now we're smiling out the window of the crummy hotel over	diamonds, (9) and rust
washington square	
our (4) comes in (5) clouds,	
mingles and hangs in the air	
speaking strictly for me we (6) could've died then	
and there	
Now you're telling me you're not nostalgic
