I'll be damned, here comes your (1) again				
but that's not unusual				
it's just that the moon is full				
and you decided to call				
And here I sit, hand on the telephone				
hearing the voice I'd known				
a couple of light years ago				
headed straight for a fall				
But we both know (2) memories can bring				
they bring diamonds and rust				
yes we both know what memories can bring				
they bring diamonds and rust				
Now I see you standing with brown leaves all around and				
snow in (3) hair				
now we're smiling out the window of the crummy hotel over				
washington square				
our breath comes in white clouds, mingles and hangs in the				
air				
speaking (4) for me we both could've				
died (5) and there				
Now you're telling me you're not nostalgic				

then give me another word for it				
you were so good with words				
and at keeping (6)	V	/ague		
Cause I need some of that vagueness now				
it's all come back too clearly, yes, I love you dearly				
and if you're offering r	ne (7)		and rust, I've	
already paid				
But we (8)	know what me	emories can b	oring	
they bring diamonds and rust				
yes we (9)	know what me	emories can b	oring	
they bring diamonds and rust				
Diamonds, diamonds and rust				
diamonds, diamonds and rust				
diamonds, diamonds and rust				
diamonds, diamonds and rust
