## Video Games by Lana Del Rey

## Fill in the gaps

Swinging in the backyard	I'm seeing stars
Pull up in your fast car	This is all I (3) of
Whistling my name	Watching all our friends fall
You open up a beer	In and out of Old Paul's
And say get over here	This is my (4) of fun
And play your video game	Playing your (5) games
In your favorite sun dress	It's you, it's you,
Watching me get undressed	It's all for you
Take your body downtown, honey	Everything I do
I say you the bestest	I tell you all the time
Lean in for a big kiss	Heaven is a place on earth with you
Put your favorite perfume on	Tell me all the things you want to do
Go play your video game	I heard that you like the bad girls
It's you, it's you,	Honey, is that true?
It's all for you	It's better (6) I ever even knew
Everything I do	They say (7) the world was built for two
I tell you all the time	Only worth living if somebody is loving you,
Heaven is a place on earth with you	Baby now you do.
Tell me all the things you want to do	It's you, it's you,
I heard that you like the bad girls	It's all for you
Honey, is that true?	Everything I do
It's better than I ever (1) knew	I tell you all the time
They say that the world was built for two	Heaven is a place on earth with you
Only worth (2) if somebody is loving you,	Tell me all the things you want to do
Baby now you do.	I heard that you like the bad girls
Swinging in the old bars	Honey, is that true?
Singing with the old stars	It's better than I ever even knew
Living for the fame	They say that the (8) was built for two
Kissing in the blue dark	Only worth living if somebody is loving you,
Playing pool and wild darts and video games	Baby now you do.
He holds me in his hig arms
