

Fill in the gaps

If there's anything you need	I want you for the (7) of my life
All you have to do is say	Together forever and never to part
You know you satisfy everything in me	Together forever we two
We shouldn't waste a single day	And don?t you know
So don't stop me falling	I would move heaven and earth
It's (1) calling	To be together forever with you
A power I just can't deny	So don't stop me falling
It's never changing	It's (8) calling
Can't you hear me I'm saying	A power I just can't deny
I want you for the (2) of my life	It's never changing
Together forever and never to part	Can't you hear me I'm saying
Together forever we two	I want you for the rest of my life
And don?t you know	Together forever and never to part
I would (3) heaven and earth	Together forever we two
To be together forever with you	And don?t you know
If (4) ever get you down	I would move heaven and earth
There's always (5) I can do	To be together (9) (10) you
Because I wouldn't ever wanna see you frown	Together forever and never to part
I'll always do what's best for you	Together forever we two
There ain't no mistaken	And don?t you know
It's (6) love we're making	I would move heaven and earth
Something to last for all time	To be together forever with you
It's never changing	
Can't you hear me I'm saying
