

Fill in the gaps

You say you wander your own land	And I don't feel right
But when I think about it I don't see how you can	So little time
You're aching, you're breaking	Try to understand that
And I can see the pain in your eyes	I'm trying to make a move just to stay in the game
Says everybody's changing	I'm trying to (6) awake and remember my name
And I don't know why	But everybody's changing
So (1) time	And I don't feel the same
Try to understand that	So (7) time
I'm trying to make a move just to stay in the game	Try to understand that
I'm trying to (2) awake and remember my name	I'm (8) to make a move just to stay in the
But everybody's changing	game
And I don't (3) the same	I'm trying to stay awake and remember my name
You're (4) from here	But everybody's changing
Soon you (5) disappear	And I don't feel the same
Fading into beautiful light	Oh, everybody's changing
Because everybody's changing	And I don't (9) the same
