

Fill in the gaps

I haven't slept at all in days
It's been so (1) since we've talked
And I have been (2) many times
I just don't (3) what I'm doing wrong
What can I do to make you (4) me
What can I do to make you care
What can I say to (5) you feel this
What can I do to get you there
There's only so much I can take
And I just got to let go
And who (6) I might (7) better, yeah
If I don't try and I don't hope
What can I do to make you love me
What can I do to make you care
What can I say to make you (8) this
What can I do to get you there
No more waiting, no more, aching

No (9) fighting, no more, trying
Maybe there's nothing more to say
And in a funny way I'm calm
Because the power is not mine
I'm (10) going to let it fly
What can I do to make you love me
What can I do to make you care
What can I say to make you feel this
What can I do to get you there
What can I do to make you love me
What can I do to make you care
What can I change to make you feel this
What can I do to get you there
And love melove melove me
