| I never (1) you before, | from the very first day you had my heart |
|--|--|
| I've been walking around with my eyes on the floor | but I got to slow right down |
| And (2) you're everywhere to me | Slow it down. |
| You're every face that I see, things ain't moving | [Down (8) down] |
| (3) enough for me | [down down down] |
| I guess (4) been | I guess I've been |
| Running 'round town | Running round town |
| and leaving my tracks, | and leaving my tracks, |
| Burning out rubber | Burning out rubber |
| driving too fast | driving too fast |
| But I, I've gotta slow it right down | But I got to slow right down |
| Back to the moment the very start, | Back to the moment the very start, |
| from the very first day you had my heart | from the very first day you had my heart |
| but I got to slow right down | but I got to slow right down |
| Slow it down. | Slow it down. |
| [Down down down] | I guess I've been |
| [down (5) down down] | Running round town |
| Wishing, wanting for (6) more | and leaving my tracks, |
| Always better than I had before | Burning out rubber |
| Who knew these dreams would come true | driving too fast |
| And I run the red, won't stop at night | But I got to slow right down |
| I don't care for traffic lights | Back to the moment the very start, |
| Things ain't moving quick enough for me | from the (9) first day you had my hea |
| I guess I've been | but I, I got to (10) right down |
| Running round town | Slow it down. |
| and (7) my tracks, | (Down down down) |
| Burning out rubber | (down down down) |
| driving too fast | |
| But Laot to slow right down | |
