

## Fill in the gaps

### Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
Told (1)\_\_\_\_\_ that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember  
You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end  
So, when we found that we could not make sense  
Well, you said that we would (2)\_\_\_\_\_ be friends  
But I'll admit that I was glad that it was over  
But you didn't have to cut me off  
Make out like it never happened and that we (3)\_\_\_\_\_  
nothing  
And I don't even need your love  
But you treat me like a stranger and that feels so rough  
No, you didn't have to stoop so low  
Have your friends collect your records and (4)\_\_\_\_\_  
change your number  
I guess that I don't need, that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
But had me believing it was always (5)\_\_\_\_\_  
that I'd done

But I don't wanna live that way, reading into every word you  
say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you used  
to know  
But you didn't have to cut me off  
Make out like it never (6)\_\_\_\_\_ and that we  
were nothing  
And I don't even need your love  
But you treat me like a stranger and (7)\_\_\_\_\_ feels so  
rough  
No, you didn't have to stoop so low  
Have your friends (8)\_\_\_\_\_ your  
(9)\_\_\_\_\_ and then change your number  
I guess that I don't need, that though  
Now you're just somebody that I used to know  
Somebody, I used to know  
Somebody, now you're just somebody that I used to know  
Somebody, I used to know  
Somebody, now you're just somebody (10)\_\_\_\_\_ I used  
to know  
I used to know  
That I used to know  
I used to know  
Somebody

Answer

1. myself
2. still
3. were
4. then
5. something
6. happened
7. that
8. collect
9. records
10. that
