

Fill in the gaps

Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I think of when we (1) together	But I don't wanna (18) that way, reading into every
Like when you said you (2) so happy you could die	word you say
Told myself that you were right for me	You said that you (19) let it go
But felt so lonely in your company	And I wouldn't catch you hung up on somebody that you used
But that was love and it's an ache I still remember	to know
You can get (3) to a	But you didn't have to cut me off
(4) kind of sadness	Make out like it (20) (21)
Like resignation to the end, always the end	and that we were nothing
So, when we found that we could not make sense	And I don't even need your love
Well, you said that we would still be friends	But you (22) me like a (23)
But I'll (5) (6) I was glad	and that feels so rough
(7) it was over	No, you didn't have to stoop so low
But you didn't have to cut me off	Have (24) (25) collect
Make out (8) it never happened and that we were	(26) records and then change (27)
nothing	number
And I don't (9) your love	I guess that I don't need, that though
But you treat me like a (11) and that	Now you're just somebody that I used to know
(12) so rough	Somebody, I used to know
No, you didn't have to stoop so low	Somebody, now you're just somebody (28) I used
Have your friends collect (13) records and then	to know
change your number	Somebody, I used to know
I guess (14) I don't need, that though	Somebody, now you're just somebody that I used to know
Now you're (15) somebody that I used to know	I used to know
Now you're just somebody that I used to know	That I used to know
Now you're just somebody that I used to know	I used to know
Now and then I think of all the times you	Somebody
(16) me over	
But had me believing it was always	
(17) that I'd done
