## Somebody That I Used To Know (feat. Kimbra) by Gotye

Now and then I (1) of when we were together	But I don't wanna live that way, reading into every word you
Like when you said you felt so happy you could die	say
Told myself that you were right for me	You said that you could let it go
But felt so (2) in your company	And I wouldn't catch you hung up on (6)
But that was love and it's an ache I still remember	that you used to know
You can get addicted to a (3) kind of	But you didn't have to cut me off
sadness	Make out like it never happened and that we were nothing
Like resignation to the end, always the end	And I don't even need your love
So, when we found that we could not make sense	But you treat me like a stranger and that feels so rough
Well, you said that we would still be friends	No, you didn't have to stoop so low
But I'll admit that I was glad that it was over	Have your friends collect your records and then change your
But you didn't have to cut me off	number
Make out like it never happened and that we were nothing	I guess that I don't need, that though
And I don't even (4) your love	Now you're just somebody that I used to know
But you treat me like a stranger and that feels so rough	Somebody, I used to know
No, you didn't have to stoop so low	Somebody, now you're (7) (8)
Have your friends collect your records and then change your	that I used to know
number	Somebody, I used to know
I guess that I don't need, that though	Somebody, now you're just somebody that I used to know
Now you're just somebody that I used to know	I (9) to know
Now you're just somebody that I used to know	That I used to know
Now you're just somebody that I used to know	I used to know
Now and then I think of all the times you screwed me over	Somebody
But had me believing it was always (5)
