

Fill in the gaps

Written by: Neil Diamond
I thought (1) was only true in fairy tales
Meant for (2) else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all my dreams
Then I saw her face
Now I'm a believer
Not a trace of (3) in my mind
I'm in love
I'm a believer
I coundn't leave her if I tried
I coundn't leave her if I tried I (4) love was more or less a (5) / givin' thing
I (4) love was more or less a (5) / givin' thing
I (4) love was more or less a (5) / givin' thing Seems the more I (6) the (7) I got
I (4) love was more or less a (5) / givin' thing Seems the more I (6) the (7) I got What's the use in trying
I (4) love was more or less a (5) / givin' thing Seems the more I (6) the (7) I got What's the use in trying All you get is pain
I (4) love was more or less a (5) / givin' thing Seems the more I (6) the (7) I got What's the use in trying All you get is pain When I needed (8) I got rain
I (4) love was more or less a (5) / givin' thing Seems the more I (6) the (7) I got What's the use in trying All you get is pain When I needed (8) I got rain Then I saw her face
I (4) love was more or less a (5) / givin' thing Seems the more I (6) the (7) I got What's the use in trying All you get is pain When I needed (8) I got rain Then I saw her face Now I'm a believer
