

Bitter Fruit by Little Steven

I was born lucky they always say
I work in these fields of plenty
Sweat for the company far away
Fruit once sweet now has bitter taste
My father was a union man
Very proud and outspoken
They came and took him when I was young
I will (1)_____ 'till his work is done
And my children are hungry
To taste the sweet life
Though my eyes have grown tired
Their desire (2)_____ me alive
I will gather no more of your (3)_____ fruit
I have a sister she loves to dream
Now she works right beside me
We work the land we can never own

Fill in the gaps

Someday we'll reap what we have sown
I don't look east I don't look west
I don't understand their accent
If it's not soldiers it's foreign debt
But they haven't won this one yet
Soon from the fields will (4)_____ fire
To cleanse the lies from all sides
The flames of freedom grow higher
Until desire - is satisfied
I will gather no more of your bitter fruit
And (5)_____ want to help in America
And the (6)_____ they come from America
But (7)_____ fight against us North America
Why are the people so quiet in America?
