

Fill in the gaps

So cold and lonely it seems so (1)	since (2)	was here
Following the shadows, with the sun till it disappears		
Thousands of stone white crosses, a formation for all to see		
With flags and flames, the ranks and the (3) of those who died to be free		
The fire remains in our hearts all of our dreams made new		
Etched in the flames of freedom, we're living on (4) you		
We're the Shadow Soldiers, laid to rest standing tall		
Shadow Soldiers, in freedom you live		
That's why we've given it all		
Taken too soon (5) the (6)	we loved	a misery I can not explain
Only (7) we feel your presence are we sure we did not die in vein		
The fire remains in our hearts all of our dreams made new		
Etched in the flames of freedom, are these words, oh so true		
We're (8) on thru you		
We're the Shadow Soldiers, laid to rest (9)	_ tall
Shadow Soldiers, in freedom you live		
That's why we've given it all		
The fire remains in our hearts all of our dreams made new		
Etched in the flames of freedom, we're living on thru you		
We're the Shadow Soldiers, laid to rest standing tall		
Shadow Soldiers, in freedom you live		
That's why we've given it all		
Shallow Soldiers, (10) to rest standing tall		
Shadow Soldiers, in freedom you live		
That's why we've given it all
