

Fill in the gaps

It's (1) me	Cold within
Grating me	And dreaming I'm alive
And twisting me around	Cause I want it now
Yeah I'm endlessly	I want it now
Caving in	Give me (6) heart and your soul
And (2) (3) out	I'm not breaking down
Cause I want it now	I'm breaking out
I (4) it now	That's (7) she'll lose control
Give me your heart and your soul	And I want you now
And I'm (5) out	I want you now
I'm breaking out	I'll feel my heart implode
That's when she'll lose control	And I'm breaking out
It's holding me	Escaping now
Morphing me	Feeling my (8) erode
And forcing me to strive	
To be endlessly
