and you (1) I called you out don't	I could see it as you (5) to stone
please	still clearly I can (6) you say
I said we're stronger than this now	don't ,please, don't give up on me
you resurrected mistakes years past it seemed	two weeks and you ran away
and they exist to (2) haunt you	I (7) don't lie to me
and still you feel like the loneliness	you couldn't see that it was not that way
is better replaced by this	swear I never gave up on you
I don't believe it this way	and you neglected I (8) you out don't please
and I can see the fear in your eyes	I said we're stronger than this now
I've seen it materialize	You feared of phantoms and none exist but you
Growing stronger each day	you still saw fit to destroy it
I could see it as you turned to stone	and I can see the fear in your eyes
Still clearly I can hear you say	I've seen it materialize
don't, please don't, give up on me	growing stronger each day
two weeks and you ran away	I could see it as you turned to (9)
I remember don't lie to me	still clearly I can hear you say
you couldn't see (3) it was not that way	don't, please, don't give up on me
swear I never gave up on you	two weeks you ran away
I wanted nothing but for that trust again	I could see it as you turned to stone
and brick by brick you (4) take it	still clearly I can hear you say
You feared of phantoms and none exist but you	don't, please, don't give up on me
you still saw fit to destroy it	two weeks and you ran away
and still you feel like the loneliness	I remember don't lie to me
is better replaced by this	you couldn't see that it was not that way
I don't believe it this way	swear I never (10) up on you
and I can see the fear in your eyes	
I've seen it materialize
