

Fill in the gaps

You say you (1) a revolution	All I can tell is (5)	you have to wait
Well, you know	Don't you know it's gonna be all right	
We all want to change the world	All right, all right	
You tell me that it's evolution	Ah	
Well, you know	You say you'll change the constitution	
We all want to change the world	Well, you know	
But when you talk about destruction	We all want to (6) yo	our head
Don't you know (2) you can (3) me	You tell me it's the institution	
out	Well, you know	
Don't you know it's gonna be all right	You better free you mind instead	
All right, all right	But if you go (7)	(8)
You say you got a real solution	of chairman Mao	
Well, you know	You ain't going to make it (9)	anyone anyhow
We'd all love to see the plan	Don't you know it's gonna be all right	t
You ask me for a contribution	All right, all right	
Well, you know	All right, all right, all right	
We're doing what we can	All right, all right, all right	
But when you (4) money		
For people with minds that hate
