Gotta Be Somebody by Nickelback

Fill in the gaps

This time, I wonder what it feels like	Someone to love
To find the one in this life, the one we all dream of	There's gotta be s
But dreams just aren't enough	Cause nobody wa
So I'll be waiting for the real thing, I'll know it by the feeling	And everyone wa
The moment when we're meeting, will play out like a scene	There's somebody
Straight off the silver screen	There's gotta be s
So I'll be holding my breath, right up 'til the end	You can't give up
Until that moment when, I (1) the one that I'll spend	diamond in the ro
forever with	When it shows u
Cause nobody wants to be the (2) one there	on)
Cause everyone wants to feel like someone cares	Cause it (7)
Someone to love with my life in their hands	on
There's gotta be somebody for me like that	Cause nobody wa
Cause nobody wants to go it on their own	And everyone wa
And everyone wants to know they're not alone	Someone to love
There's somebody else that feels the same somewhere	There's gotta be s
There's gotta be somebody for me out there	Nobody wants to
Tonight, out on the street, out in the moonlight	And everyone was
And dammit this feels too right, it's just like déja vu	There's someboo
Me standing here with you	somewhere
So I'll be holding my breath, could this be the end?	There's gotta be s
Is it that moment when, I find the one that I'll spend	Nobody wants to
(3) with	Cause everyone v
Cause nobody wants to be the last one there	There's somebody
Cause everyone wants to feel (4) someone cares	There's gotta be s

Someone to love with my life in their hands	
There's gotta be somebody for me like that	
Cause nobody wants to go it on their own	
And everyone wants to know they're not alone	
There's somebody else that feels the same somewhere	
There's gotta be somebody for me out there	
You can't give up, (when you're (5) for) a	
diamond in the rough (cause you never know)	
When it shows up, (make sure you're (6)	
on)	
Cause it (7) be the one, the one you're waiting	
on	
Cause nobody wants to be the last one there	
And everyone wants to feel (8) someone cares	
Someone to love with my life in (9) hands	
There's gotta be somebody for me, oh	
Nobody wants to go it on their own	
And everyone wants to know they're not alone	
There's somebody else that feels the (10)	
somewhere	
There's gotta be somebody for me out there	
Nobody wants to be the last one there	
Cause everyone wants to feel like someone cares	
There's somebody else that feels the same somewhere	
There's gotta be somebody for me out there
