## Out In The Fields by Gary Moore

Out in the fields

## Fill in the gaps

It doesn't matter	No flag has (14) stopped
If you're (1) or if you're right	The bullet (15) a gun
It makes no difference	Death is just a heartbeat away
If you're (2) or if you're white	Out in the fields
All men are equal	A (16) away
Till the victory is won	Out in the fields
No colour or religion	Death is just a heartbeat away
Ever stopped the (3) from a gun	Out in the fields
Out in the fields	A heartbeat away
The fighting has begun	Out in the fields
Out on the streets	In the fields
They're (4) one by one	The fighting has begun
Out from the skies	Out on the streets
A (5) more will die (6) day	They're (17) one by one
Death is just a heartbeat away	Out from the skies
It doesn't matter	A thousand more will die each day
If you're (7) or to the right	[Lyrics from www.EasyLyrics.org]
Don't try to hide behind the cause	They're (18) one by one
They (8) to fight	Out in the fields
There'll be no (9) taken	No flag has (19) stopped
When the day is done	The bullet from a gun
No flag, no uniform	Death is just a (20) away
Ever stopped the bullet from a gun	Out in the fields
Out in the fields	A heartbeat away
The fighting has begun	Out in the fields
Out on the streets	Death is (21) a heartbeat away
They're falling one by one	Out in the fields
Out (10) the skies	A heartbeat away
A thousand more will die each day	Out in the fields
Death is just a (11) away	In the fields
There's no communication	The (22) has begun
No one to take the blame	Out on the streets
The cries of every nation	They're falling one by one
They're (12) on deaf (13) again	Out (23) the skies
Out in the fields	A (24) more will die each da
Out in the fields	out!
They're falling one by one
