If Today Was Your Last Day by Nickelback

My best (1) gave me the best advice	Swear up and down to God above
He said each day's a (2) and not a given right	That you finally fall in love
Leave no stone unturned, leave your fears behind	If today was your last day
And try to (3) the path less (4)	If (8) was your (9) day
by	Would you make your mark by mending a broken heart?
That first step you (5) is the longest stride	You know it's never too late to shoot for the stars
If today was your last day	Regardless of who you are
And tomorrow was too late	So do whatever it takes
Could you say goodbye to yesterday?	'Cause you can't rewind a moment in this life
Would you live each moment like your last?	Let nothin' stand in your way
Leave old pictures in the past	Cause the hands of time are never on (10) sid
Donate every dime you have?	If today was your last day
If today was your last day	And tomorrow was too late
Against the grain should be a way of life	Could you say goodbye to yesterday?
What's worth the prize is always worth the fight	Would you live each moment like your last?
Every second counts 'cause there's no second try	Leave old pictures in the past
So live like you'll never live it twice	Donate every dime you have?
Don't take the free ride in your own life	Would you call old friends you never see?
If today was (6) last day	Reminisce old memories
And tomorrow was too late	Would you forgive your enemies?
Could you say goodbye to yesterday?	Would you find that one you're dreamin' of?
Would you live each moment like your last?	Swear up and down to God above
Leave old pictures in the past	That you finally fall in love
Donate every dime you have?	If today was your last day
Would you (7) old friends you never see?	
Reminisce old memories	
Would you forgive your enemies?
