

Would you forgive your enemies?

Would you find that one you're dreamin' of?

## If Today Was Your Last Day by Nickelback

My best friend gave me the best advice	Swear up and down to God above
He said each day's a gift and not a (1) right	That you finally (8) in love
Leave no stone unturned, leave (2) fears behind	If today was your last day
And try to take the path less traveled by	If today was your last day
That first step you take is the longest stride	Would you make your mark by mending a broken heart?
If today was your last day	You know it's never too late to shoot for the stars
And tomorrow was too late	Regardless of who you are
Could you say goodbye to yesterday?	So do whatever it takes
Would you live (3) moment (4) your	'Cause you can't rewind a moment in this life
last?	Let nothin' stand in your way
Leave old pictures in the past	Cause the hands of time are never on your side
Donate every dime you have?	If today was (9) last day
If today was your (5) day	And tomorrow was too late
Against the grain should be a way of life	Could you say (10) to yesterday?
What's worth the prize is always worth the fight	Would you live each moment like your last?
Every second counts 'cause there's no (6) try	Leave old pictures in the past
So live like you'll never live it twice	Donate every dime you have?
Don't take the (7) ride in your own life	Would you call old friends you never see?
If today was your last day	Reminisce old memories
And tomorrow was too late	Would you forgive your enemies?
Could you say goodbye to yesterday?	Would you find that one you're dreamin' of?
Would you live each moment like your last?	Swear up and down to God above
Leave old pictures in the past	That you finally fall in love
Donate every dime you have?	If today was your last day
Would you call old friends you never see?	
Reminisce old memories
